JENNY ROBERTS

Millinery Taster (1/2 day) £75 inc all materials

This course is a fantastic opportunity for those who are new to millinery and want to acquire a basic understanding.

On this course:

- You will be given an overview of millinery materials, techniques and styles
- You will learn how to create basic sinamay trims including loops, swirls, bows, fans and folds
- You will create a design using your skills and finishing your design with elastic, band or comb
- You will learn which different hat shapes work for your face shape
- By the end of the workshop you will have created a headpiece and acquired skills to make more.

JENNY ROBERTS

Flower Taster (1/2 day) £75 inc all materials

This course is for individuals who would like to learn the process of silk and fabric flower making.

On this course:

- You will learn how to stiffen different fabrics, create petal templates and be introduced to all the techniques used for making different types of flower petals.
- You will also be shown different stamen and centres for your silk or fabric flowers.
- You will choose from an array of colours of silk and fabric to create a flower of your own.
- Your bespoke flower can then be attached to a hair comb or corsage clip.

JENNY ROBERTS

Introduction to Millinery (2 days)

£195 inc all materials

This is the perfect course for those who have a taste for Millinery and want to expand their knowledge of millinery techniques and create headpieces using sinamay.

On this course:

- You will be given a comprehensive overview of millinery materials, techniques and styles
- You will block a sinamay shape ready to be adorned
- You will create a flat headpiece base with sinamay
- Trims will be taught dependent on previous experience and the requirements of the group but they can include, sinamay trims, feathers and veiling
- You will learn how to professionally finish your hats and how to attach an appropriate head fitting

JENNY ROBERTS

Fabulous Feathers (1 day)

£100 inc all materials

This is a perfect course for beginners or those wanting to learn how feathers can enhance your designs.

On this course:

- You will be given an introduction to different types of feathers which will provide you with the basis for your design including, goose, hackle, turkey, ostrich and peacock amongst others.
- You will learn several ways of manipulating feathers such as cutting, curling, twisting and forming flowers.
- You will arrange your feathers on a base and learn how to balance your design to create a flattering headpiece.
- Finally, you will be shown how to finish your design with elastic, band or comb
- By the end of the workshop you will have created a feather headpiece and acquired the skills to make more.

JENNY ROBERTS

Upcycle Workshop (1 day) £100 inc all materials

Before

After

This is the ideal course to re-invent, re-new, and re-trim an old summer or winter hat, which could be sinamay, straw or felt and upcycle it into something really special.

On this course:

- You need to bring along one or more old hats which can be made of sinamay, straw or felt. Charity shops are a great source of hats if you don't have any old hats.
- You will have the option to re shape your hat either subtly bring the shape up to date or totally re block the shape.
- You will learn how to make suitable summer trims from the excess of your material or from our sinamay, felt and feathers in order to add loops, lilies, roses, feathers or bows.
- Work with a variety of fabrics and feathers to make your design bespoke and go away with the skills to re-invent more hats.

JENNY ROBERTS

Crin and Trim (1 day) £100 inc all materials

This is the perfect course for beginners/intermediate students or those wanting to explore the use of crinoline within their designs and trims.

On this course you will learn how to;

- cover a base with crinoline
- manipulate crinoline into different shapes.
- distress crinoline to create different looks
- Create trims including, roses, strips, swirls, curls, free form shapes and bows.
- Finish the inside of your hat with petersham ribbon.
- Attach an appropriate head fitting
- By the end of the workshop you will have created a crinoline headpiece and acquired skills to make more.

JENNY ROBERTS

Silk Cocktail Hat (2 days) £195 inc all materials

This is the perfect course for those who want to expand their knowledge of millinery techniques and create headpieces using silk and other fabrics.

On this course:

- You will learn how to block a hat base using buckram.
- You will learn how to line and cover with silk or fabric for a beautiful professional finish
- Trims will be taught dependent on previous experience and the requirements of the group but they can include, handmade flowers, silk loops, bows and many other techniques.
- You will learn how to professionally finish your hat, how to attach an appropriate head fitting and create a couture lining.

JENNY ROBERTS

Introduction to Flowers (2 day) £195 inc all materials

This is the perfect course if you have always wanted to make a variety of fabric and sinamay flowers to adorn your hat, bridal headpieces or corsages.

On this course::

- You will create paper patterns for all your flowers to take home and use

 - Roses
 - Poppies
 - Leaves
 - Peonies
 - Lilies
- You will also learn how to make fabric and sinamay feathers using a simple cutting technique
- You will learn how to create stamens using a variety of materials

JENNY ROBERTS

Hair Vine (1 day) £100 inc all materials

Using a variety of materials you will create a unique hair piece, which will be perfect for black tie or bridal.

On this course:

- You will learn techniques including; beaded flowers and leaves,
- You will make and incorporate tiny silk flowers and lace detail into your design.
- You will learn the easiest way of wiring your hair vine together.
- Once you have mastered all the techniques they will be used to design your own bespoke beaded adornment.

Note; Included in the materials will be 10 small and 10 medium bi-cone Swarovski crystals and an assortment of other beads. Additional Swarovski's will be charged at cost.

JENNY ROBERTS

Vintage Headpiece (2 day) £195 inc all materials

This is a unique course for brides and bridal designers focusing on creating a vintage inspired bridal headpiece but the skills could also be transferred to non bridal headpieces using a different choice of coloured silks

On this course:

- You will learn how to create a small base for you vintage inspired bridal headpiece.
- We will show you how to cover your base with silk for a professional finish.
- Using a variety of beads you will learn how to embellish your headpiece.
- You will learn how to attach veiling.
- You will also learn how to make simple silk flowers to trim and finish your piece.
- We will show you how to position and finish your headpiece with the appropriate head fittings.

JENNY ROBERTS

Sinamay Cocktail Hat (2 day) £195 inc all materials

This is the perfect course for beginners or those wanting to take their sinamay skills to the next level.

On this course:

- You will learn how to block a small button hat using the traditional method of hand blocking with pins and steam.
- You will learn how to finish the inside of your hat with petersham ribbon.
- You will create samples of trims including sinamay lilies, roses, leaves, bias strips, swirls, curls, free form shapes and bows.
- You will learn how crinoline, veiling and quills add depth to your design.
- You will use these new skills to trim your blocked button
- You will learn how to professionally finish your hat and how to attach an appropriate head fitting
- By the end of the workshop you will have created a sinamay headpiece and acquired skills to make more.

JENNY ROBERTS

Crown & Brim Hat (2 day) £225 inc all materials

This is the perfect course for those who want to learn the couture techniques involved in creating a sinamay crown and brim hat

On this course:

- You will learn how to block the crown and brim using traditional techniques of steaming and pinning over a vast choice of wooden blocks.
- You will learn how to edge with wire and a bias piece and create different crown edgings.
- You will learn how to size your hat.
- You will create samples of trims including sinamay lilies, roses, leaves, bias strips, swirls, curls, free form shapes and bows and others depending on experience.

This is the perfect course for those who want to explore working with Parisial straw.

On this course:

- You will learn how to block Parisial using traditional techniques of steaming and pinning over a vast choice of wooden blocks.
- You will then learn how to line the inside with a petersham edging .
- We will show you various Parisial trimming techniques including loops, swirls, curls and how to hand roll the edges of your Parisial.
- We will look at balancing trim positioning and finish your hat to couture standard.
- You will learn how to professionally finish your hat and how to attach an appropriate head fitting
- By the end of the workshop you will have created a Parisial headpiece and acquired skills to make more.
- By the end of the workshop you will be confident working with the inspiring new materials and be able to create more.

JENNY ROBERTS

Jinsin & Silk Abaca Explored (2 day) £195 inc all materials

This is the perfect course for those who want to explore working with Jinsin and silk Abaca.

On this course:

- You will explore and experiment with Jinsin. Jinsin is famous for its sculptural quality. It creates incredible shapes when curved and flexed. The silk can be stripped away to create a wild spray of fibres.
- You will explore and experiment with Abaca. Silk abaca is fine and smooth. It can be free-shaped, blocked or used for draping. Because this material is interwoven with silk, it is pliable and creates amazing curves when twisted and shaped.
- You will create a blocked base. You will then learn how to line the inside with a petersham edging .
- We will show you various trimming techniques including loops, swirls, curls and how to roll the edges then we will look at balancing trim positioning.
- You will learn how to professionally finish your hat and how to attach an appropriate head fitting
- By the end of the workshop you will be confident working with the inspiring new materials and be able to create more.

JENNY ROBERTS

Felt Cocktail Hat (2 days) £195 inc all materials

This is the perfect course for those who want to take their skills to the next level and work with felt.

On this course:

- You will learn how to block a small felt hat using the traditional method of hand blocking with pins and steam.
- You will then learn how to line the inside with a petersham edging .
- We will show you various trimming techniques; feathers, felt flowers, crinoline, bias strips, felt leaves, quills, felt or fabric bows, and veiling.
- You will use these skills to trim and finish your hat
- You will learn how to professionally finish your hat and how to attach an appropriate head fitting
- By the end of the workshop you will have created a felt headpiece and acquired skills to make more.

JENNY ROBERTS

Fur Felt Winter Trilby (1 day) £130 inc all materials

This is the perfect course for those who want to create a unique wearable hat for winter.

On this course:

- You will choose from black, grey, navy or tan felt.
- You will learn how to block a trilby crown using a choice of wooden blocks and using pinning and steaming millinery techniques.
- We will show you how to size your trilby to ensure a perfect fit.
- We will teach different trims including felt loops, feathers, felt leaves, cockades and the use of vintage braids.
- You will learn how to trim and finish your trilby
